

## Spring Blog 2014

Dear Parents and Guardians,

Welcome everyone again to the kindergarten. The warm weather of spring is finally here. I also would like to welcome the newcomers- the Momo-gumi children. All the children came for a half-day the first week of school to get used to their new school surroundings. Here are some pictures taken this first week of the kids outside enjoying the sunny weather. It will be interesting to look at these pictures again at the end of the year, or even after 3 years to see how much the children will have grown.

Note: Please have a look at other pictures in the PHOTO GALLERY section of our website and download any pictures that you like.

Next month the children will be going on their Spring field trip to the park. I'm sure they will have lots of fun and make good memories. We will have pictures for you then.

We look forward to seeing you and your family at future events scheduled this year.

Sincerely,

Mark Borja  
Principal
